CARERS IDENTIFICATION AND REFERRAL FORM

DO YOU LOOK AFTER A FAMILY MEMBER OR FRIEND who has additional needs as a result of disability, physical or mental illness, ageing or substance misuse? If so, you are a carer and we would like to support you.

Being an unpaid carer can often affect your own health, letting your GP know that you're a carer will help us to support you better.

Northamptonshire Carers is an organisation providing information and advice, and all kinds of free services which could help you. If you would like to find out more, we will refer you to them (please indicate below if you would like to be referred).

You are also entitled to a free Carers Assessment. This is a chance to talk about your needs as a carer and the possible help available. They can also look at the needs of the person you care for.
